

## NEWS FROM STEVE 9/27/18

I know you have all been scratching your heads trying to remember the date for the Highway Cleanup... it is **Saturday, October 6<sup>th</sup> @ 9:00am**. We will meet at the Carl's residents.

See you then....  
Thank you  
Steve

As a reminder, we will begin lowering the lake on Oct 9<sup>th</sup> which is the day after Columbus day. This should come to no surprise where it has been done at this time every year.
